

PROJECT PROFILE

TopGolf Charlotte, NC Atlanta, Georgia & Schaumburg, Illinois

CONTRACTOR: Panasonic Corporation of North America, Coppell, TX
STRUCTURAL ENGINEER: Allegheny Design Services, LLC, Morgantown, WV

PROJECT SCOPE:

- ADS is proud to be a part of the delivery of multiple TopGolf Facilities by providing Structural Engineering support for LED Displays and Signage. Topgolf operates 49 venues in the United States, United Kingdom, and Australia, employs 15,000 Associates and serves 13 million guests annually.
- Each Topgolf venue features climate-controlled hitting bays for year-round play, food, beverage, music and HDTVs on which various sports games are shown, such as football, basketball and golf.
