

## PROJECT PROFILE

# Mylan Park Ruby Center Addition Hazel & J. W. Ruby Community Center Sports Complex Morgantown, WV

**MEP & STRUCTURAL ENGINEERS:**  
**CONTRACTOR:**

Allegheny Design Services, LLC, Morgantown, WV  
Lytle Construction Corporation, Morgantown, WV

### PROJECT SCOPE:

- A 48,000 GSF PEMB (Pre-Engineered Metal Building) Addition to the existing Mylan Park Ruby Center.
- Addition includes 36,000 SF Gymnasium, 6,000 SF Lobby/Lounge/Restrooms
- 3,200 SF Learning Center and 2,800 SF Storage
- The expansion includes five basketball courts, five volleyball courts, two indoor soccer footprints or 15 pickleball courts. These spaces provide for instruction, open recreation, camps, leagues and tournaments which attracts local, regional and national interest.
- The new complex can accommodate larger events in conjunction with the original building or allow two events at the same time. Programming opportunities continue to be provided at a greater capacity, affording accessible space for every age group, organization and need of the community.

**PROJECT VALUE:** \$ 6.9 Million

**PROJECT COMPLETION:** 2022
