PROJECT ARCHITECT:
STRUCTURAL ENGINEERS:
CONTRACTOR:

Paradigm Architecture, Morgantown, WV
Allegheny Design Services, LLC, Morgantown, WV
March-Westin Company, Inc., Morgantown, WV

PROJECT SCOPE:

- The New state-of-the-art complex has an eight-lane competition track with a top-of-the-line, Mondo running surface developed by Mondotrack. It also features areas for long jump, triple jump, high jump and pole vault, as well as a grass infield fully enclosed in netting for events such as the hammer throw, discus throw and javelin throw. Additionally, a surrounding walking track is available to the community for use. The Track and Field Complex at Mylan Park can seat up to 1,800 spectators, and it provides stadium necessities such as a ticket booth, press box, restrooms, concessions facilities and a state-of-the-art electronic scoreboard and timing system.

PROJECT VALUE: \$20 Million

PROJECT COMPLETION: October 2018
